FOR IMMEDIATE RELEASE

--- ADVISORY---

HCIFS to Begin Operations in New, State-of-the-Art Facility

HOUSTON, Texas (March 2, 2017) – The Harris County Institute of Forensic Sciences (HCIFS) is moving into their new, state-of-the-art location at 1861 Old Spanish Trail in the Texas Medical Center, located directly across the street from their current location.

Medical Examiner Services will begin in the new location on Saturday, March 4, 2017, and full operations, including Medical Examiner and Crime Laboratory Services, will commence Monday, March 6. The new phone number for the new HCIFS location is: (832) 927-5000.

About the Harris County Institute of Forensic Sciences:
The Harris County Institute of Forensic Sciences, an independent, science-based organization located on the grounds of the Texas Medical Center, provides two distinct forensic services for the Harris County community – the Medical Examiner Service and the Crime Laboratory Service. To learn more about the Institute of Forensic Sciences, visit: ifs.harriscountytx.gov.
