

Dear Harris County resident:

You have been selected to receive this invitation because you have indicated an interest in ongoing Harris County news and events.

The Harris County Office of Homeland Security & Emergency Management (HCOHSEM) invites you to a “Date with Disaster” on Wednesday, October 26th, from 7 to 9 p.m. at the Gulf Pointe 30 AMC Theaters, 11801 S. Sam Houston Parkway.

This event will showcase emergency preparedness like never before in Harris County. Attendees will view disaster preparedness videos in the comfort of a movie theater and also interact with some of our area’s first responders. Emergency vehicles, including HazMat and fire trucks, will be on display, and a special appearance by the Ready Heroes will entertain and educate the young and the not so young.

Seating is limited to the first 525 who register.

In the last year, Harris County has activated its Emergency Operations Center numerous times for severe weather, wildfires, hazardous materials spills and industrial accidents. In 2010, HCOHSEM conducted almost 200 outreach events and presentations.
