

**EXHIBIT A**

On January 11, 2013, I inadvertently dropped a box of Diazepam. In an effort to catch the box I jammed the box between my leg and the refrigerator stand breaking the carpujet cartridges. I disposed the broken cartridges in the sharps container on the lead medic unit. I contacted Chief Assistant Redding and Captain Galvez and notified them of the incident.

RE: Diazepam 10mg/2ml Control # 1300030-1300039

January 11 2013.
