**FREEPORT LNG ANNOUNCES BRYAN FREY TO SERVE AS VICE PRESIDENT
AND GLOBAL HEAD OF LNG MARKETING**

HOUSTON, February 12, 2016 – Freeport LNG Development, L.P., announced today that it has selected Bryan Frey to serve as Vice President and Global Head of LNG Marketing, effective February 15, 2016. He will be responsible for leading the ongoing commercialization and deal development of Freeport LNG’s natural gas liquefaction and liquefied natural gas (LNG) export project. He brings over twenty-five years of broad energy experience and industry knowledge in both domestic and international supply and trading, operations, commercial negotiations and business development. Mr. Frey most recently held the commercial managing director role with Macquarie Energy where he was instrumental in leading its global LNG initiative. Prior to Macquarie, he held various commercial energy management roles with Constellation Energy, Marathon Oil, El Paso Global LNG, PG&E and KOCH Industries.

About Freeport LNG

Freeport LNG Development, L.P., owns and operates an existing LNG regasification terminal located near Freeport, Texas, and is now constructing a natural gas liquefaction and LNG export facility there. Michael Smith controls the general partner of Freeport LNG Development, L.P. Freeport LNG Development, L.P.’s limited partners are: Freeport LNG Investments, LLLP and FLNGI Option Holdco, LLC, each owned by Michael S. Smith; GIP II FLNG, L.P. and GIP II FLNG Holdings Partnership 2, LLC, each owned by Global Infrastructure Partners; and Turbo LNG, LLC, a wholly owned subsidiary of Osaka Gas Co., Ltd.
