**MEDIA ADVISORY: 2018 Harris County Flood Control District Bond Program
Meeting Scheduled for July 10 in the San Jacinto River Watershed
14th of 23 Watershed Meetings Planned Before August 25, 2018, Election**

SAN JACINTO RIVER WATERSHED MEETING

July 10, 2018

6 p.m. to 8 p.m.

Kingwood Park High School PLEASE NOTE NEW LOCATION!

4015 Woodland Hills Drive

Kingwood, TX 77339

Officials with the Harris County Flood Control District will hold public meetings in each of the county's 23 watersheds. The purpose of each meeting is to describe projects that could be candidates for funding in the 2018 Flood Control District bond program and to solicit residents' input on other flooding issues that should be addressed.

These meetings have been declared to be special meetings of Harris County Commissioners Court so that members of Commissioners Court may attend and participate.

Brief opening remarks will begin promptly at 6 p.m. but the public is encouraged to come anytime between 6 p.m. and 8 p.m. for the Open House portion of the meeting and to provide input to elected officials and the Flood Control District. The focus of this meeting is the San Jacinto River watershed. (NOTE: Should the venue reach maximum capacity, the opening remarks would occur twice – at 6 p.m. and at 7 p.m.)

ABOUT THE HARRIS COUNTY FLOOD CONTROL DISTRICT

The Harris County Flood Control District provides flood damage reduction projects that work, with appropriate regard for community and natural values. With more than 1,500 bayous and creeks totaling approximately 2,500 miles in length, the Flood Control District accomplishes its mission by devising flood damage reduction plans, implementing the plans and maintaining the infrastructure. To learn more about the Flood Control District, visit www.hcfcd.org.
